CERTIFICATE OF INSURANCE

INTRODUCTION

This Certificate of Insurance provides information about Your dental coverage. Read it carefully and keep it in a safe place with Your other valuable documents. Review it to become familiar with Your benefits and when You have a specific question regarding Your coverage.

To offer these benefits, Your Group has entered into a Group Policy of insurance with United Concordia. The benefits are available to You as long as the Premium for You and any enrolled Dependents is paid and obligations under the Group Policy are satisfied. In the event of conflict between this Certificate and the Group Policy, the Group Policy will rule. This Certificate is not a summary plan description under the Employee Retirement Income Security Act (ERISA).

DEFINITIONS

Certain terms used throughout this Certificate begin with capital letters. When these terms are capitalized, use the following definitions to understand their meanings as they pertain to Your benefits and the way the dental plan works.

Certificate Holder(s) - An individual who has enrolled him/herself and his/her Dependents for dental coverage and for whom Premium payments are due and payable. Also referred to as "You" or "Your" or "Yourself".

Certificate of Insurance ("Certificate") - This document, including riders, schedules, addenda and/or endorsements, if any, which describes the coverage purchased from the Company by the Policyholder.

Coinsurance - Those remaining percentages or dollar amounts of the Maximum Allowable Charge for a Covered Service that are the responsibility of either the Certificate Holder or his/her enrolled Dependents after the Plan pays the percentages or dollar amounts shown on the Schedule of Benefits for a Covered Service.

Company - United Concordia, the insurer. Also referred to as "We", "Our" or "Us".

Coordination of Benefits ("COB") - A method of determining benefits for Covered Services when the Member is covered under more than one plan to prevent duplication of payment so that no more than the incurred expense is paid.

Cosmetic - Those procedures which are undertaken primarily to improve or otherwise modify the Member's appearance.

Covered Service(s) - A service or supply specified in this Certificate and the Schedule of Benefits for which benefits will be covered subject to the Schedule of Exclusions and Limitations, when rendered by a dentist, or any other duly licensed dental practitioner under the scope of the individual's license when state law requires independent reimbursement of such practitioners.

Deductible(s) - A specified amount of expenses set forth in the Schedule of Benefits for Covered Services that must be paid by the Member before the Company will pay any benefit.

Dentally Necessary - A dental service or procedure is determined by a dentist to either establish or maintain a patient's dental health based on the professional diagnostic judgment of the dentist and the prevailing standards of care in the professional community. The determination will be made by the dentist in accordance with guidelines established by the Company. When there is a conflict of opinion between the dentist and the Company on whether or not a dental service or procedure is Dentally Necessary, the opinion of the Company will be final.

Dependent(s) - Certificate Holder's spouse or domestic life partner as defined by the Policyholder and/or state law and any unmarried child or stepchild of a Certificate Holder or unmarried member of the Certificate Holder's household resulting from a court order or placement by an administrative agency, enrolled in the Plan:

- (a) until the end of the calendar year which he/she reaches age 19; or
- (b) until the end of the calendar year which he/she reaches age 23 if he/she is a full-time student at an accredited educational institution and chiefly reliant upon the Certificate Holder for maintenance and support; or
- (c) to any age if he/she is and continues to be both incapable of self-sustaining employment by reason of mental or physical handicap and chiefly dependent upon the Certificate Holder for maintenance and support.

Effective Date - The date on which the Group Policy begins or coverage of enrolled Members begins.

Exclusion(s) - Services, supplies or charges that are not covered under the Group Policy as stated in the Schedule of Exclusions and Limitations.

Experimental or Investigative - The use of any treatment, procedure, facility, equipment, drug, or drug usage device or supply which the Company, determines is not acceptable standard dental treatment of the condition being treated, or any such items requiring federal or other governmental agency approval which was not granted at the time the services were rendered. The Company will rely on the advice of the general dental community including, but not limited to dental consultants, dental journals and/or governmental regulations, to make this determination.

Grace Period - A period of no less than 31 days after Premium payment is due under the Policy, in which the Policyholder may make such payment and during which the pr

For an enrolled Dependent child who is a full-time student, evidence of his/her student status and reliance on You for maintenance and support must be furnished to Us within 30 days after said Dependent attains the limiting age shown in the definition of Dependent. Such evidence will be requested annually thereafter until the Dependent reaches the limiting age for students and his/her coverage ends.

For an enrolled Dependent child who is mentally or physically handicapped, evidence of his/her reliance on You for maintenance and support due to his/her condition must also be supplied to Us within 30 days after said Dependent attains the limiting age shown in the definition of Dependent. If the Dependent is a full-time student at an accredited educational institution, the evidence must be provided within 30 days after the Dependent a

- the patient's name
- date of birth
- Your contract ID number
- patient's relationship to You
- Your name and address
- the name and policy number of a second insurer if the patient is covered by another dental plan.

Your dentist should complete the treatment and provider information or supply an itemized receipt for You to attach to the claim form. Send the claim form or predetermination to the address in the Introduction section of this Certificate.

For orthodontic treatment, if covered under the Plan, an explanation of the planned treatment must be submitted to Us. Upon review of the information, We will notify You and Your dentist of the reimbursement schedule, frequency of payment over the course of the treatment, and Your share of the cost.

Should You have any questions concerning Your coverage, eligibility or a specific claim, contact Us at the address and telephone number in the Introduction section of this Certificate or log onto *My Dental Benefits* at www.unitedconcordia.com.

Predetermination

A predetermination is a review in advance of treatment by Us to determine patient eligibility and coverage for planned services. Predetermination is not required to receive a benefit for any service under the Plan. However, it is recommended for extensive, more costly treatment such as crowns and bridges. A predetermination gives You and Your dentist an estimate of Your coverage and how much Your share of the cost will be for the treatment being considered.

To have services predetermined, You or Your dentist should submit a claim showing the planned procedures but leaving out the dates of services. Be sure to sign the predetermination request. Substantiating material such as radiographs and periodontal charting may be requested by Us to estimate benefits and coverage. We will determine benefits payable, taking into account Exclusions and Limitations including alternate treatment options based upon the provisions of the Plan. We will notify you of the estimated benefits.

When the services are performed, simply have Your dentist call Our Interactive Voice Response System at the telephone number in the Introduction section of this Certificate, or fill in the dates of service for the completed procedures on the predetermination notification and re-submit it to Us for processing. Any predetermination amount estimated is subject to continued eligibility of the patient. We may also make adjustments at the time of final payment to correct any mathematical errors, apply coordination of benefits, and comply with Your Plan in effect and remaining program Maximum dollars on the date of service.

BENEFITS

Schedule of Benefits

Your benefits are shown on the attached Schedule of Benefits. The Schedule of Benefits shows:

- the classes and groupings of dental services covered, shown with a "Plan Pays" percentage greater than "0%".
- the percentage of the Maximum Allowable Charges the Plan will pay.
- any Waiting Periods that must be satisfied for particular services before the Plan will pay benefits. Waiting Periods are measured from date of enrollment in the Plan.

- any Deductibles You and/or Your family must pay before any benefits for Covered Services will be paid by the Plan, and the Covered Services for which there is no deductible. The Deductible is applied only to expenses for Covered Services and on either a calendar year or contract year basis (yearly period beginning with the Effective Date of the Group Policy).
- any Maximums for Covered Services for a given period of time; for example, annual for most services and lifetime for orthodontics. Annual Maximums are applied on either a calendar or contract year basis.

Your Out-of-Pocket Costs

In order to keep the Plan affordable for You and Your Group, the Plan includes certain cost-sharing features. If the class or service grouping is not covered under the Plan, the Schedule of Benefits will indicate either “not covered” or “Plan Pays -- 0%”. You will be responsible to pay Your dentist the full charge for these uncovered services.

Classes or service groupings shown with “Plan Pays” percentages greater than 0% but less than 100% require you to pay a portion of the cost for the Covered Service. For example, if the Plan pays 80%, Your share or Coinsurance is 20% of the Maximum Allowable Charge. You are also responsible to pay any Deductibles, charges exceeding the Plan Maximums or charges for Covered Services performed before satisfaction of any applicable Waiting Periods.

Services

The general descriptions below explain the services on the Schedule of Benefits. The descriptions are not all-inclusive – they include only the most common dental procedures in a class or service grouping. Specific dental procedures may be shifted among groupings or classes or may not be covered depending on Your Group’s choice of Plan. Check the Schedule of Benefits attached to this Certificate to see which groupings are covered (“Plan Pays percentage greater than “0%”). Also, have Your provider call Us to verify coverage of specific dental procedures or log on to *My D or Iof 0-ce0i2-ce0i2-ce0i2-ce0i2- n*

Exclusions and Limitations

Services indicated as covered on the Schedule of Benefits are subject to frequency or age Limitations detailed on the attached Schedule of Exclusions and Limitations. The existence of a Limitation on the Schedule of Exclusions and Limitations does not mean the service is covered under the Plan. Before reviewing the Limitations, You must first check the Schedule of Benefits to see which services are covered. No benefits will be provided for services, supplies or charges detailed under the Exclusions on the Schedule of Exclusions and Limitations.

Payment of Benefits

If You have treatment performed by a Participating Dentist,

- C) **Other Dental Plan** is any form of coverage which is separate from this Plan with which coordination is allowed. **Other Dental Plan** will be any of the following which provides dental benefits, or services, for the following: Group insurance or group type coverage, whether insured or uninsured. It also includes coverage other than school accident type coverage (including grammar, high school and college student coverages) for accidents only, including athletic injury, either on a twenty-four (24) hour basis or on a "to and from school basis," or group or group type hospital indemnity benefits of \$100 per day or less.
 - D) **Primary Plan** is the plan which determines its benefits first and without considering the other plan's benefits. A plan that does not include a COB provision may not take the benefits of another plan into account when it determines its benefits.
 - E) **Secondary Plan** is the plan which determines its benefits after those of the other plan (Primary Plan). Benefits may be reduced because of the other plan's (Primary Plan) benefits.
 - F) **Plan** means this document including all schedules and all riders thereto, providing dental care benefits to which this COB provision applies and which may be reduced as a result of the benefits of other dental plans.
2. The fair value of services provided by the Company will be considered to be the amount of benefits paid by the Company. The Company will be fully discharged from liability to the extent of such payment under this provision.
3. In order to determine which plan is primary, this Plan will use the following rules.
- A) If the other plan does not have a provision similar to this one, then that plan will be primary.
 - B) If both plans have COB provisions, the plan covering the Member as a primary insured is determined before those of the plan which covers the person as a Dependent.
 - C) Dependent Child/Parents Not Separated or Divorced -- The rules for the order of benefits for a Dependent child when the parents are not separated or divorced are:
 - 1) The benefits of the plan of the parent whose birthday falls earlier in a year are determined before those of the plan of the parent whose birthday falls later in that year;
 - 2) If both parents have the same birthday, the benefits of the plan which covered the parent longer are determined before those of the plan which covered the other parent for a shorter period of time;
 - 3) The word "birthday" refers only to month and day in a calendar year, not the year in which the person was born;
 - 4) If the other plan does not follow the birthday rule, but instead has a rule based upon the gender of the parent; and if, as a result, the plans do not agree on the order of benefits, the rule based upon the gender of the parent will determine the order of benefits.
 - D) Dependent Child/Separated or Divorced Parents -- If two or more plans cover a person as Dependent child of divorced or separated parents, benefits for the child are determined in this order:
 - 1) First, the plan of the parent with custody of the child.
 - 2) Then, the plan of the spouse of the parent with the custody of the child; and
 - 3) Finally, the plan of the parent not having custody of the child.
 - 4) If the specific terms of a court decree state that one of the parents is responsible for the dental care expenses of the child, and the entity obligated to pay or provide the benefits of the plan of that parent has actual knowledge of those terms, the benefits of that plan are determined first. The plan of the other parent will be the Secondary Plan.
 - 5) If the specific terms of the court decree state that the parents will share joint custody, without stating that one of the parents is responsible for the dental care expenses of the child, the plans covering the child will follow the order of benefit determination rules outlined in Section 3-C) above, titled Dependent Child/Parents Not Separated or Divorced.
 - E) Active/Inactive Member
 - 1) For actively employed Members and their spouses over the age of 65 who are covered by Medicare, the plan will be primary.
 - 2) When one contract is a retirement plan and the other is an active plan, the active plan is primary. When two retirement plans are involved, the one in effect for the longest time is primary. If another contract does not have this rule, then this rule will be ignored.
 - F) If none of these rules apply, then the contract which has continuously covered the Member for a longer period of time will be primary.

G) The plan covering an individual as a COBRA continuee will be secondary to a plan covering that individual as a Member or a Dependent.

4. Right to Receive and Release Needed Information -- Certain facts are needed to apply these COB rules. The Company has the right to decide which facts it needs. It may get needed facts from or give them to any other organization or person. Any health information furnished to a third party will be released in accordance with federal law. Each person claiming benefits under This Plan must give any facts needed to pay the claim.

The following provisions are added to the Enrollment Changes sub-section of the ELIGIBILITY AND ENROLLMENT section of this Certificate:

Adoptive children may be enrolled up to 60 days from placement.

The restriction on enrolling new Dependents only during open enrollments when the Member fails to enroll them within 31 days of a life change event does not apply to Dependent children of a Member subject to a court or administrative order of support relating to the provision of health care coverage.

The following provisions are added to the GENERAL PROVISIONS section of this Certificate:

The pertinent laws and regulations for interpretation and enforcement of the Certificate are the laws and regulations of Commonwealth of Pennsylvania.

All statements made by the Policyholder or applicant or Member shall, in the absence of fraud, be deemed representations and not warranties. No statements made for the purpose of effecting coverage shall void such coverage or reduce benefits unless contained in a written instrument and signed by the Policyholder, a copy of which has been furnished to the Policyholder or the Certificate Holder or his/her beneficiary.
